ABOUT WORKFORCE INSTITUTE

Workforce Institute offers non-degree training, continuing education, certifications, licenses and career pathways provided by industry experts in a motivating environment, in as little as a few days.

We offer training in:
Business, Healthcare, Languages, Manufacturing and Supply Chain, and Technology

CERTIFICATIONS AND TRAINING

Here are some of the things you can achieve through a Workforce Institute program:

- Finish in as little as a few hours or opt for more extensive training
- Brush up on current skills
- Earn Continuing Education Units (CEU)/Professional Development Units (PDU)
- Take an exam prep course for and in-demand certifications
- Learn a new language through one of our many language courses
- Continue on into a degree program or just take the non-degree course!

GROUP TRAINING

Did you know that any of our training programs can be offered in a group setting for your organization, association, or company through our Corporate Training program?
