**Legal Notification about SPC Collection/Usage of Social Security Numbers (SSN)**  
 Federal legislation relating to the Hope Tax Credit and other tax benefits for education require that all postsecondary institutions report student SSNs to the Internal Revenue Service. This IRS requirement makes it necessary for community colleges to collect the SSN of every student. A student may refuse to disclose his or her SSN to the college for this purpose, but the IRS is then authorized to fine the student \$50 pursuant to the Internal Revenue Code, Section 25A. In addition to the federal reporting requirements, the public school system in Florida uses SSN as a student identifier (1008.386, F.S.). In a seamless K-20 system, it is beneficial for postsecondary institutions to have access to the same information for purposes of tracking and assisting students in the smooth transition from one education level to the next. While the collection and use of SSN may be authorized, a student is not required to provide his or her SSN as a condition of enrollment or graduation. Non-credit programs may use your SSN for the purpose of reporting to the state to facilitate the process of certification and license renewal, and for reporting non-credit course and in-service training information as required by state law.

I hereby apply for admission to St. Petersburg College and agree that, if accepted, I will abide by all rules, procedures, and policies of the college, now and hereafter adopted, as set forth in the Board of Trustees Rules and Procedures Manual, and as published in the College Catalog and Student Handbook. I certify that as a condition of admission, I will not unlawfully possess, use, sell, purchase, manufacture, deliver or possess with the intent to sell, purchase, manufacture or deliver any controlled substance while enrolled at St. Petersburg College. I understand that it is my responsibility to request that my high school and/or college transcripts be forwarded to the college. However, I authorize St. Petersburg College to obtain my high school and/or college transcript(s) and other necessary admission records, including test scores, from other institutions that I have attended, electronically and/or hard copy. I certify that the answers given herein are true and correct. I further understand that a false statement in this application or any admission document will subject me to penalties pursuant to §837.06, Florida Statutes; and is grounds for denial of admission or, upon further discovery, grounds for dismissal and invalidation of college credit or degree based on such credit.

By signing this application, I am granting permission to St. Petersburg College, its agents and staff to use video and photographs of myself for SPC promotional/advertising materials without charge. No promises have been made and no consideration is involved for their use. If I do not want SPC to use video and photographs of myself, I will inform the associate provost on my home campus.

Florida Statute requires that every applicant for admission to an institution of higher education shall be required to make a statement as to his or her length of residence in the state and, further, shall establish that his or her presence or, if the applicant is a dependent child, the presence of his or her parent or parents in the state currently is, and during the requisite 12-month qualifying period was, for the purpose of maintaining a bona fide domicile, rather than for the purpose of maintaining a mere temporary residence or abode incident to enrollment in an institution of higher education. (§1009.21, Florida Statutes) Other persons not meeting the 12-month legal residence requirement may be classified as Florida residents for tuition purposes only if they fall within one of the limited special categories authorized by the Florida Legislature and the State Board of Education. All other persons are ineligible for classification as a Florida resident for tuition purposes.

To qualify as a Florida resident for tuition purposes, you must be a U.S. citizen or a permanent resident alien, or a legal alien granted indefinite stay by the U.S. Immigration and Naturalization Service. Living in or attending school in Florida will not in itself establish legal residence. Students who depend on out-of-state parents for support are presumed to be legal residents of the same state as their parents. Residence in Florida must be for establishing a permanent home and not merely incident to enrollment at an institution of higher education. Documents supporting the establishment of legal residence must be dated, issued or filed 12 months before the first day of classes of the term for which a Florida resident classification is sought and must be valid during the immediate 12 months prior to that term.

**TO BE COMPLETED BY THE STUDENT - Check  the appropriate boxes:**

1. I am an independent person and have maintained legal residence in Florida for at least the last 12 consecutive months.  Yes  No
2. I am a dependent person and my parent or legal guardian has maintained legal residence in Florida for at least the last 12 consecutive months.  Yes  No
3. I am a dependent person who has resided for the last three years with an adult relative other than my parent or legal guardian and my relative has maintained legal residence in Florida for at least the last 12 consecutive months.  Yes  No
4. I am married to a person who has maintained legal residence in Florida for at least the last 12 consecutive months. I have established legal residence and have made Florida my permanent home.  Yes  No (If yes, copy of marriage certificate is required, plus one tier 1 document from the student to prove that I have made Florida my legal home.)
5. I was previously enrolled at a Florida public college/university and classified as a Florida resident for tuition purposes within the last 12 months. (If yes, provide copy of the transcript.)  Yes  No
6. I was previously enrolled at a Florida public college/university and classified as a Florida resident for tuition purposes within the last 12 months, but abandoned my Florida domicile and am now re-establishing Florida legal residence. (If yes, provide a copy of the transcript and updated documents evidencing legal ties to Florida.)  Yes  No
7. According to the U.S. Immigration and Naturalization Service, I am a permanent resident alien or other legal alien granted indefinite stay. I have maintained domicile in Florida for at least the last 12 consecutive months. (If yes, USCIS documentation required.)  Yes  No
8. I am a member of the armed services of the U.S. and am stationed in Florida on active military duty pursuant to military orders, or whose home of record is Florida; or I am the member's spouse or dependent child.  Yes  No (If yes, copy of military orders DD2058 or military document showing home of record required.)
9. I am an active drilling member of an eligible Florida Army National Guard Unit. (If yes, provide documentation)  Yes  No
10. I am a full-time instructional or administrative employee of a Florida public school, community college or institution of higher education; or I am the employee's spouse or dependent child. (If yes, copy of employment verification required.)  Yes  No
11. I am part of the Latin American/Caribbean scholarship program. (If yes, copy of scholarship papers is required.)  Yes  No
12. I am a qualified beneficiary under the terms of the Florida Pre-Paid Postsecondary Expense Program. (§240.551, Florida Statutes) (If yes, copy of card required.)  Yes  No
13. I am living on the Isthmus of Panama and have completed 12 consecutive months of college work at the FSU Panama Canal Branch; or I am the student's spouse or dependent child.  Yes  No
14. I am a full-time employee of a Florida state agency or political subdivision of the state whose student fees are paid by the state agency or political subdivision for the purposes of job-related law enforcement or corrections training.  Yes  No
15. I am a full-time student participating in a linkage institute. (§288.8175, Florida Statutes)  Yes  No

Attach copies of documentation indicated above. Additional documentation (e.g., voter's registration, Florida driver's license or Florida ID, marriage certificate, tax returns, etc.) may be required by the college. All documentation is subject to verification, and evidence of continuing legal ties to another state may preclude classification to Florida resident for tuition purposes.
